Ricco,

If you are reading this, getting out didn't go as I planned. Thank you for keeping the girls for me, just in case. They couldn't be in safer hands.

Whatever happened, I know you and Fozz will help my family. You were always there for us - in the good times and the bad. Tiffany is the world to Flint and me, and knowing you will be there for both of them eases any pain I would feel.

I'm not good with words. I always thought spoke louder, anyway. My actions weren't good, but they were noble. People used was cursed. I don't believe that. The time with Tiffany and Flint, they were better time than I deserved. Than anyone deserved. I am a lucky man. And lucky to have friends like you.
